Helping Families Stay Together—The Right Way

Family Courts need more than monitoring—they need solutions that encourage responsibility, structure, and progress.

CourtFact equips agencies with tools that:

- **Promote** consistent accountability
- **Support** safe parenting environments
- **Provide** clear, court-admissible data
- **Encourage** positive behavioral change

Result: Parents stay on track. Courts stay informed.
Families stay connected.

COURTFACT®
TOOLS THAT INSPIRE SUCCESS

A Complete Ecosystem

Alcohol Monitoring

Affordable alcohol monitoring that reinforces sobriety without disrupting daily life.

Uninterrupted Testing

Broad window drug detection for informed decisions and safe family engagement.

ActiveTrack

Location monitoring that ensures adherence to court-ordered schedules and safe parenting time.

CourtFact Platform

One centralized platform—giving Family Courts clarity to child-focused decisions.

Endless integrated monitoring and engagement solutions that promote accountability, support parenting time, and help families stay connected.
