COURTFACT®
TOOLS THAT INSPIRE SUCCESS

Support Better Outcomes

Instead of juggling multiple systems, CourtFact helps staff stay focused on what matters most.

Improve Engagement

Keep participants informed and connected with reminders, secure messaging, mobile access, and program updates.

Increase Efficiency

Reduce duplicate data entry, organize participant information, automate routine tasks, and simplify daily workflows.

Enhance Judicial Confidence

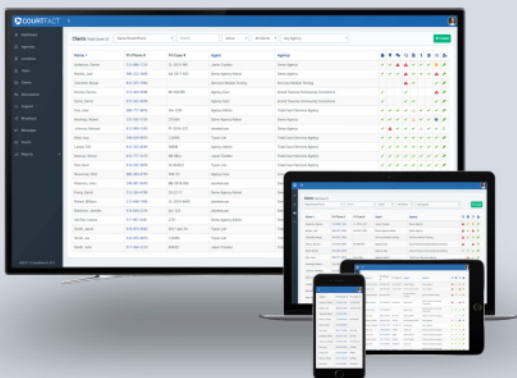

Provide accurate, timely information with court-ready reports and real-time participant activity.

courtfact.com/pretrial

Everything You Need. One Platform.

CourtFact combines the tools agencies use every day into one connected solution.

Management

Participant records, case notes, documents, assessments, appointments, and court dates.

Supervision

Location monitoring, alcohol monitoring, substance testing, compliance tracking, and configurable supervision tools.

Reporting

Custom reports, dashboards, court summaries, analytics, and program performance insights.

Communication

Secure messaging, reminders, notifications, participant mobile access, and staff collaboration.
